# Membership Registration Application for 2007 Awards

## INSTRUCTIONS FOR 2007 MEMBERSHIP APPLICATION

Please follow all steps so that we may process your application:

1. ENCLOSE PROOF OF BREED by choosing only one of three options:

- JOCKEY CLUB (JC) PAPERS: Please enclose a copy with Registration Application.
- OR, IF JC PAPERS ARE NOT AVAILABLE, ENCLOSE JOCKEY CLUB TATTOO RESEARCH FORM 611: To order, call the Jockey Club and request Tattoo Research, Form Number 611  
Jockey Club Information Services, 821 Corporate Drive, Lexington, KY 40503-2794  
1.800.333.1778 [www.tjcis.com/products/tattoo.html](http://www.tjcis.com/products/tattoo.html)
- OR, IF YOU OWN NO JC PAPERS AND HAVE ONLY PARTIALLY LEGIBLE TATTOO: If your only Proof of Breed is a partially legible tattoo (no clear tattoo to obtain the JC Tattoo Research Form 611), please refer to page six, Instructions for Hard-To-Read Tattoo.

2. PHOTO ID IS REQUIRED: Previous members, see next paragraph. New members, see pages three through five. Five color photographs (size 4x6, glossy or non-glossy) are required: one of each full body side view, one of full body front, one of full body back. Also one close head shot from the front, to show all on the entire face (move forelock aside). Photos need not be professional quality, but be sure all markings are clearly visible, and the total leg is shown, including the complete hoof.

PREVIOUS MEMBERS PHOTO ID: Check off the ballot boxes on pages three through five, indicating photos are already on file.

3. IF REQUIRED IN YOUR STATE/PROVINCE, ENCLOSE A COPY OF YOUR CURRENT COGGINS OR PASSPORT: Ask vet to fill out all areas on the Coggins including markings, physical characteristics, and tattoo area. If tattoo is only partially legible, indicate unreadable spaces with question marks. Make sure all vet's contact information is filled out completely.

4. ENCLOSE MEMBERSHIP APPLICATION AND FEE: Be sure to include membership fee, payable to North American Thoroughbred Society, along with application.

### REGISTRATION APPLICANT'S AFFIDAVIT

To the best of my knowledge, all information is filled out correctly and completely.

In addition, I have reviewed and I accept NATBS policy which determines non-breeding stock (geldings only) with partially legible tattoos as the only Proof Of Breed may be accorded NATBS membership. Realizing that: (1) Jockey Club papers are often withheld on purpose at the track so the horse isn't returned to the track; (2) it is NATBS policy that competitors who acquire their thoroughbred without papers at auctions or TB rescue organizations should not be penalized; (3) the full process of a vet check, a NATBS Veterinarian Affidavit, NATBS Gelding History Form, and NATBS review of each individual case, may constitute the applicant's full acceptance into NATBS.

Data is generally accurate, but occasionally, errors and omissions occur as a result of incorrect data, mistakes in processing, or other causes. USEF, USDF, USEA, CADORA, EQUINE CANADA and NATBS disclaims any and all responsibility to anyone for errors or omissions in the data and for the consequences, if any, of such errors. It is the applicant's responsibility to inform the applicable Information Resources Department of any corrections.
